We raise our own finances to give ourselves to Jesus in prayer and ministry. Please consider partnering with us financially in monthly support or a special gift. *Tax-deductible donations:* Make check out to 'IHOP-KC' without our names.

Non tax-deductible: Make check out to Ian & Jocelyn Barker.

May 2007

We are sorry for the lapse in updates, but we have been very busy. We just graduated on May 12th! We are at the close of a 4-year season of our lives and the beginning of a new season. Where it will take us, we do not know. We are both very excited and a little nervous for what will happen. Yet we are confident in God's excellent leadership and purposes for our lives.

School New Testament Commentary

For the past 5 months, it seems that our lives have revolved around the New Testament commentary we wrote as a school project. I finished editing all 337 pages of what my group wrote this past Sunday. My group worked on 8 books. I have never worked on something that was so consuming but rewarding in my life. Jocelyn and I were forced to grow in many areas and we are thankful for it. The intensity of the workload helped us to become disciplined and mentally and spiritual sharp. We are thankful that we were able to finish our schooling by studying God's word in such an in-depth way. We fell more in love with God and His ways. Our appetite and capacity has been expanded and we look forward to continue to study His word.

Healing Evangelism

In the past two months, two IHOP staff members gave testimony of healings that happened while they were talking to people about Jesus. One man prayed for an unbelieving woman and she was healed. Another man heard the Lord tell him to go into the hospital he was driving by. He went in and prayed for three members of a family who were all healed and saved! We are starting to see a little trickle of the Spirit's power in healing and salvation. This is encouraging!

Live Webstreaming from the Prayer Room

We want to encourage you to sign-up for the webstream from the IHOP Prayer Room on the Internet. For only \$10/month, you can listen and watch the prayer room live. We have heard many testimonies of people who are able to spend an hour or two a day joining in the worship and intercession at IHOP through the webstream. It is a good way to get more of a taste of what we do every day! Sign up at IHOP.org in the 'Media' section.

Trip to California

After our graduation, Jocelyn and I flew with my parents to California where we spent the week with my brother Matt, his wife, Leanne, and their two boys, Jack and Caleb. They live in Arroyo Grande, a coastal town 3-hours north of LA. It is beautiful there as they are very close to the beach but also a 5-minute drive to some beautiful wineries. It was so nice to be able to relax with my family and we feel very refreshed. My family is doing wonderful and we wish they would move here to be with us! Feel free to check out the blog for pictures of our time there.

After School...

Now that we are done school, what are we going to do? In a lot of ways, we are going to keep on doing what we have been doing. Our primary focus is to help keep the fire burning in the Prayer Room. We will be spending our mornings (7:30am-12:30pm) in the PR in worship and intercession. In the afternoon, we will go to the school together and work in the office. Jocelyn will be helping the registrar, and I will be helping in the Academics department as the "Curriculum Development Manager." At 6pm, we will come home for the evening together. We are excited about this schedule because we will have time to do things that we have not been able to do for the past 6 months and spend more time together. Thanks for your continued support and friendship. We love you!
